### Creativity and Expression

Igniting the imagination and encouraging a flow of ideas and expressions from our students

### Developing the Individual

Valuing each student as an individual, giving the opportunity to have fun, to learn and to grow at a pace that challenges them

### Teamwork and Leadership

Promoting interaction with peers with respect, support and trust, giving all an opportunity to take their group forward with their ideas and knowledge

### Confidence Building

Bringing forth a student's natural abilities, developing their confidence and helping them handle themselves with grace and ease

### Enjoyment of Learning

Approaching theatre knowledge and creative skills with focus, fun and laughter

### Quality

Surpassing expectations and producing work that our students and leaders are proud of

All of our workshops are tailored to the specific needs of the students providing the tools needed for future theatrical endeavours.

“It's great fun. It's the one activity I never want to miss!”

Faust Student, November 2013

# Our Leaders

We're very proud of our excellent team of dedicated professionals who work for Faust. Our groups have:

A **Group Leader** who is an experienced drama teacher and an active drama professional. Leaders bring a wealth of experience and expertise to the workshops

And an **Assistant Leader** who is an experienced drama enthusiast with a strong interest in the theatre and working with children

And/or a **Student Leader** who is a responsible drama student who can share their passion and experience with members

Combining the two areas of expertise (education and drama) ensures maximum learning and fun for your child. Prospective staff members undergo a thorough selection process, which concludes with the newcomer taking part in a regular workshop so that their suitability may be better determined. All leaders work in support of Faust's overall Values and Aims as well as our Learning Outcomes, and bring enthusiasm, passion and dedication to the position.

Artists from Hong Kong and abroad are occasionally invited to lead workshops and introduce topics that will be tackled more closely in subsequent weeks or terms.

## Our Groups

### Age Groups

Our workshops are for young people aged 3 to 18 with groups divided according to age. Children join with or without drama experience. All that is essential is a fluency in English, an interest in all things dramatic and to have reached the required age before commencement of the term for their particular group.

### Groups for Tots

Tots groups are designed for children aged 3 to 4 years and introduce them to drama, theatre and the performing arts! Each workshop takes children on a journey through their imagination. Using an array of stories children will explore their own creativity as well as developing confidence and an interest in all things dramatic. Tots groups are a wonderful introduction to drama, a stepping stone to our older groups, and provide a very supportive environment.

### Stage Group

Stage Group was formed in 2009 and involves some of Faust's more experienced members aged 15 to 18. This group is designed for those young adults who are considering a career in performing arts, or who wish to develop and hone their skills much further. This group does not perform in the annual *Faust Festival*, and instead puts on its own production in the spring each year. The members help choose the play and get actively involved in all aspects of the performance. Recent productions have included *Waiting For Godot*, *Romeo and Juliet*, *The Government Inspector*, *Our Country's Good*, *The Tempest*, *Equus* and *The Crucible*.

### Group Size

Group numbers are based on age, venue size and number of leaders (8 to 26 for older groups, 8 to 14 for younger). In our experience drama activities work well with these numbers and we have up to three leaders per group.

For a detailed summary of the groups we have on offer this season please see pages 8 and 9.

“I was riveted and blown away from the moment it started”

Audience member at *Waiting For Godot*, April 2016

# Our Locations

Our workshops take place across Hong Kong and Kowloon at different times and days to suit the needs of our members. For a more detailed list of the groups we have in different locations, please consult the table on pages 8 and 9.

## The Faust Black Box and Studios

Faust has its own dedicated venues, the Faust Black Box and Upper Studio. They provide an ideal space for our workshops. The Faust Black Box and office are located at 5<sup>th</sup> Floor, Nan Dao Commercial Building, 359 & 361 Queen's Road Central, Sheung Wan. The Faust Upper Studio is located on the 6<sup>th</sup> Floor.

## Other Locations

In addition we also make use of venues across Hong Kong and Kowloon including: Island School (Mid Levels), Beacon Hill School (Kowloon Tong), HKIS (Repulse Bay), West Island School (Pok Fu Lam), Stanley, Discovery Bay and Wan Chai.

# Performing Opportunities

## Performing

We believe strongly that drama is a skill that is useful beyond performance. At Faust learning is just as important as performing and those registered should be keen on taking part. At the end of term 1 and 2 some groups may have an open session if the content of their workshop lends itself to it. All children registered in term 3 (April to June) perform in the annual *Faust Festival* (except for our Tots and Stage Group).

## The Faust Festival

This annual theatre extravaganza takes place in May or June and gives members a chance to share their performance skills with family and friends. Each show takes place in either a dedicated performance space (for ages 4 to 5) or a theatre (ages 6 and above) and gives all involved a fantastic acting experience.

## Other Performing Opportunities

Faust International Youth Theatre performs additional plays and shows throughout the year. Faust members aged 8 and above will be invited to audition for these although no guarantee can be made that every member registered will perform. Recent productions include *Treasure Island*, *Fantastic Mr Fox*, *The Lion, the Witch and the Wardrobe*, Michael Morpurgo's *Kensuke's Kingdom*, *The Snow Queen*, *The Wind in the Willows*, Roald Dahl's *The BFG* and *The Snowman*.

“I've seen our daughter's self-confidence blossom. She looks forward to her classes so much. Faust is so well run - it has been a pleasure to be involved” Faust Parent, June 2012

# Workshop Content

Our leaders are always happy to talk to you about your child and their work. Before workshops begin you will be sent a term schedule outlining what your child will be doing, and mid-way through the term you will be emailed a workshop report sharing some of the activities in the workshops (as well as some photos!). Some groups may also have an open session at the end of the term.

In each workshop different themes are explored. Examples include improvisation, puppetry, live performance, masks, mime, movement, pantomime, script-work, set design, stage-fighting, storytelling or play writing to name but a few! Children develop performance skills, explore drama values and learn about drama in its wider social and cultural context. Some of the many aspects our workshop cover are included below.

## Performance Skills

- Creative use of the voice to develop characters and to express feelings and voice projection
- Body language, physical theatre and script work
- Staying focused whilst performing and maintaining character consistency
- Stage blocking and movement and audience awareness
- Use of props, costume, set, music, light and sound
- Working successfully as part of a team

## Drama Values

- Respect self and others
- Learn and experience the value of trust and taking risks
- Share thoughts and feelings through reflection
- Be willing to justify interpretations and preferences
- Evaluate personal and group performance and identify areas for improvement
- Accept that people have different ideas and opinions

## Drama in Context

- Understand that theatre comes from different times, places, social groups and cultures
- Appreciate different theatre practitioners
- Understand the different roles in the theatre
- Apply drama to everyday situations e.g. storytelling, presentations, debate
- Evaluate theatre performance as an audience member

# Watch a Show with your Group (for free)

In addition to learning about drama, every member of our groups will have the opportunity once a year to experience the joy of theatre by visiting a professional theatre production. This is in addition to the workshops and is at no additional cost. Past performances watched include: *We're Going on a Bear Hunt*, *Stick Man*, Shakespeare's Globe production of *Hamlet*, *A Clockwork Orange*, *The Reduced Shakespeare Company*, *The Gruffalo* and more.

“ It is a pleasure to see how Faust is growing and keeping a very high quality of work! ” Faust Parent, July 2013

# Other Programmes

## Trial Workshop

At the start of the school year we have a trial workshop. This is an opportunity for children to sample a typical workshop. Once the term has started it is not possible to offer trial workshops.

## Holiday Programmes

Holiday Theatre and Creative Writing Programmes are offered at Christmas, Chinese New year, Easter and during the Summer. These programmes provide a fun-filled learning environment with challenging and creative workshops that engage students in the world of drama, theatre and writing. Emphasis is placed on self-expression, inspiring students to develop their potential as performers and writers.

## Play in a Day

Working as part of a team, participants have one day to create their own exciting, innovative and fun performance. Plays chosen range from traditional tales to modern classics, and all are designed to entertain and challenge the group. In seven hours the group performs a play – in front of an audience! Play in a day is for ages 8 and up and takes place during holidays.

## Touring Theatre

We bring quality, educational and entertaining performances for children by adults to schools and community groups. Faust's Touring Theatre performances are designed to help teachers bring the written word to life on stage. Our tales are designed to entertain as well as act as a springboard to inspire debate and discussion. Current and previous productions include:

## Programmes for Schools

We also offer tailor-made programmes to suit the specific needs of schools, clubs or organisations. These vary widely within our areas of expertise and we work closely with the school or organisation to develop and personalise the programme. For information on any of these programmes, please contact Faust at 2547 9114 or email [info@faustworld.com](mailto:info@faustworld.com).
