# About our Winter Holiday Programmes

## Holiday Theatre For ages 3 to 15

Under the careful guidance of our experienced and enthusiastic drama leaders, members will learn and practise drama and performance skills using different themed stories and topics as inspiration. All activities are engaging and challenging, and focus on encouraging confidence and self-expression from our members.

Children will tell a story and present what they have learned in an open session at the end of the week for family members subject to government guidelines. Alternatively, photographs and an end of term review will be emailed to parents.

Workshop Locations: Sheung Wan, Ho Man Tin, Sai Wan Ho, Tai Wai

## Creative Writing For ages 6 to 13

Our small group writing courses unlock the creative potential of our young writers. Through a series of writing challenges and exercises, we encourage students to express their own ideas and stories, teaching them various writing techniques such as figure of speech, literary tropes and more with plenty of individual feedback.

Each child will build up their own portfolio of work to share with parents by the end of the week.

Please note these courses are designed for children with native or near native fluency, and are not designed as an English as a Second Language programme.

Workshop Location: Sheung Wan, Tai Wai

'You have a wonderful programme that does a world of good for kids' - Faust Parent

## Musical Theatre For ages 8 to 11

Our musical theatre workshop is a great way for those interested in singing, dancing and acting to hone their skills to becoming a triple threat.

Throughout the week, members will learn how to become familiar with their voice and vocal range, act out parts of a script and song, and learn choreography. This will all culminate towards a small show case at the end of the week where family and friends can enjoy a small musical performance, subject to government guidelines. Alternatively, a video will be filmed and emailed to parents.

**Workshop Location:**  
Sheung Wan (Faust Studio)

## Play in a Day For ages 8 to 12

This is our unique one-day experience where members will work together to produce and perform their own production in a day! After some initial warm-up activities, members will begin to work on casting, characterisation, blocking, rehearsing and performing. 7 hours later, the group performs their play! The performance will be subject to government guidelines.

## Dramatic Arts & Crafts For ages 4 to 7

Designed for young creatives who are interested in both acting and craft making, this programme will immerse children into the world of theatre and creative art.

Each day, members will spend one half of the workshop creating crafts for the stage such as props, costumes, masks and puppets, which will be used in the latter half of the workshop where they can learn a variety of theatrical and performance skills designed up build their confidence and self-expression.

**Workshop Location:**  
Sheung Wan (Faust Studio)

This is a great experience for actors to craft their performance skills and work as an ensemble. Everyone has to think on their feet, problem-solve and promote a team spirit to achieve their best.

**Workshop Location:** Sheung Wan
